Anne- EPA region 3 is handling this issue. David Sternberg, Terri White or Bonnie Smith can help.
sternberg.david@epa.gov, white.terri@epa.gov, or smith.bonnie@epa.gov. Please let me know if they don't get back to you soon. Are you on deadline for tonight? Catherine C. Hi Enesta,
I just read a wire that says the EPA testing of water wells in Dimmock, PA shows no elevated levels of pollutants such as methane.

Who could I talk to about those test results ?

Thank you,
Anne Thompson
